Dia 1: Are taken in the morning from the airport to the selected hotel in San Pedro de Atacama.. The Moon Valley: his tour will take place only 3 kilometers from San Pedro, but it will be a great change of scener. It starts around 3:00/4:00 pm. Our first destination will be the Cari mirador. From this view point we can observe the multiple geological formations of the salt Cordillera, before getting to the Death Valley where we will do a short trekking inside this incredible valley. Our next place will be the Moon Valley, where we will visit the salt caves, the rocky formations called The three Maries, the impressive Amphitheater and to end the tour we will do our last trekking to reach the top of the great sand dune, where we will wait for the sunset and its colors painting the landscape surrounding. Back to your hotel around 7:00/8:00 pm. At nightfall, will have a VIP Restaurant Reservation at some selected by the passenger in advance where they will be invited to taste a Sour Rica Rica, official drink of San Pedro de Atacama. at the end of the night we took to the hostel to rest.

Dia 2: Trekking Cordillera de la Sal: his tour begins around 8 a.m. from your hotel. Our trekking starts from the Catarpe valley, and goes up to the 1930's tunnel. There, we will share a coffee break with cookies. After that, it will be time to enter the darkness and cross underground the Salt Cordillera. At the top of this unique Cordillera, we will enjoy a beautiful view on the Catarpe Valley and the Andes Cordillera. Following our way up to the cornice of the Salt Cordillera, we will finally arrive at the Death Valley great dune, on which we'll have a snack (sandwich, fruit, juice and cereals et cereal bar). Then, we will start walking 200 meters down the dune to reach the Salt Cordillera Canyon. Before finishing our trekking arriving to San Pedro Atacama, we'll pass through the oasis of Quitor indian community. Our trekking is 15 kilometers long and last 4h30 approximately. Difficulty : easy. Back to San Pedro Atacama at 01:30 p.m.

In the afternoon, at about 16.00 hrs. take our bikes and headed to Los Ojos del Salar, where necessary swimsuit, towel and sandals, to enjoy a relaxing bath in this wonder of nature. This natural lagoon has the characteristic of not having salt groundwater are blooming at this point in the Salar de Atacama, so you can swim under water and relax. Then return to the ancient ways of the Salar de Atacama to San Pedro, hoping to reach the lodge or hotel at approximately 20:00 hrs.

Dia 3: Géiser del Tatio: This tour will start very early around 4:30 am. We will need around 2 hours road to reach the two geothermal fields called Tatio, situated in 4.300 meters in height. When we will arrive, the air temperature could be between 15 and 5 celcius degrees under zero : Be prepared and bring winter clothes with you ! There, we will enjoy the first lights of the day to visit the Tatio's two geothermal fields and walk around the geysers and fumaroles. Then, you will have the opportunity to swim in the thermal waters in 30/35 celcius degrees, time for us to prepare your energizing breakfast. Returning down from the geysers, we will do different stops in the Andes cordillera and wet zones (bofedales) : favorite places of the local wild birds. After that, we will see the atacamenian village of Machuca (4.000 meters in height). In this village, we will have the possibility of visiting its andean church, knowing the local handcraft and tasting some culinary specialities made by the local community. Back to San Pedro Atacama around 12:00 am.

Dia 4: Ascension Cerro Toco: This ancient volcano, is just 30 km from San Pedro de Atacama. It is recommended for people who want to play sports and know what is climbing a mountain of 5600 m hill. It has an easy access trail, not exposed to wind and slope of the rise does not exceed 20 °, allowing a high margin of success in his ascension. From San Pedro we go, vehicle until 4500 meters where we had breakfast. Then we went by car to the base of the volcano, located about 5,000 meters, where the ascent lasting 2-4 hours start. Technically it is an easy mountain but needed warm clothes and a previous acclimatization, no special equipment is needed, if the use of trekking boots. In winter the use of crampons, ice ax and mountain equipment for low temperature is recommended. This fascinating tour starts at 07:00 am from the Lodge or Hotel, and we are back in San Pedro de Atacama around 15:00 hrs. At a time selected by the traveler take them from the Hotel and we said goodbye at the airport El Loa. Our desire was to serve the maximum and make your stay in our village has been a great experience, and that their dreams are fulfilled 100%. We waited again...
