PROGRAMA:

Dia 1: Are taken in the morning from the airport to the selected hotel in San Pedro de Atacama. At 14:00 hrs. begins the tour to the wonderful Puritama, where you can enjoy these energetic and therapeutic waters, which are located at 3200 meters. We return to San Pedro de Atacama at 18:30 hrs.

At nightfall, will have a VIP Restaurant Reservation at some selected by the passenger in advance where they will be invited to taste a Sour Rica Rica, official drink of San Pedro de Atacama. at the end of the night we took to the hostel to rest.

Dia 2: Salar de Atacama + Lagunas Altiplánicas, After picking you up at your hotel around 7:00 am, we will drive you to the Atacama salt flat, and more exactly inside the Flamingos National Reserve. There, we will observe the wild flamingos living in the salt flat and will enjoy a little walk inside the salty desert. After that, we will drive further in the direction of the Socaire village to visit the place and its agricultural terraces from the inca period. Even today those antic agricultural techniques are used by the inhabitants to grow corn, potatoes, quinoa, ... Socaire is situated in 3.200 meters in height. After take advantage of this typical stop to acclimatize you to the altitude, we will pursue our road to the beautiful Altiplanics lagoons, in 4.200 meters in height. On the edge of the Miscanti and Meñiques lagoons, we will observe the fauna and flora of the Altiplano, and meet with vicuñas (wild camels), different types of mountain birds and wild foxes. Back from the altiplano, we will stop in the atacamenian village of Toconao, where we will visit its historical bell tower and church from the XVIIIth century. Back to San Pedro around 2:00 pm.

The Moon Valley: his tour will take place only 3 kilometers from San Pedro, but it will be a great change of scener. It starts around 3:00/4:00 pm. Our first destination will be the Cari mirador. From this view point we can observe the multiple geological formations of the salt Cordillera, before getting to the Death Valley where we will do a short trekking inside this incredible valley. Our next place will be the Moon Valley, where we will visit the salt caves, the rocky formations called The three Maries, the impressive Amphitheater and to end the tour we will do our last trekking to reach the top of the great sand dune, where we will wait for the sunset and its colors painting the landscape surrounding. Back to your hotel around 7:00/8:00 pm.

Dia 3: Géiser del Tatio: This tour will start very early around 4:30 am. We will need around 2 hours road to reach the two geothermal fields called Tatio, situated in 4.300 meters in height. When we will arrive, the air temperature could be between 15 and 5 celcius degrees under zero : Be prepared and bring winter clothes with you !There, we will enjoy the first lights of the day to visit the Tatio's two geothermal fields and walk around the geysers and fumaroles. Then, you will have the opportunity to swim in the thermal waters in 30/35 celcius degrees, time for us to prepare your energizing breakfast. Returning down from the geysers, we will do different stops in the Andes cordillera and wet zones (bofedales) : favorite places of the local wild birds. After that, we will see the atacamenian village of Machuca (4.000 meters in height). In this village, we will have the possibility of visiting its andean church, knowing the local handcraft and tasting some culinary specialities made by the local community. Back to San Pedro Atacama around 12:00 am. At a time selected by the traveler take them from the Hotel and we said goodbye at the airport El Loa. Our desire was to serve the maximum and make your stay in our village has been a great experience, and that their dreams are fulfilled 100%. We waited again...
